THE NEWS.

Compiled from Late Dispatches.

CONGRESSIONAL

In the Senate on the 19th the Committee or Foreign Relations reported a bill for the in-spection of meats for exportation, and prohibiting the importation of adulterated arti-cles of food or drink. Debate took place on cles of food or drink. Debate took place on the tills to fix the salary of District Judges at \$5.000 and to appropriate \$15.00,000 for the support of common schools. In the House the Committee on Foreign Affairs reported that the resolution on the death of Heira Lasker was intended as a tribute of respect to the meanty of an eminent for ign stateman, and that the House did not deem it necessary to its algailty to criticise the dreumstances which prevented the expression of sympathy from raching their destruction. The report was adopted. After a few bills had been reported the long-expected struggle over the Wilsiey bill began, a motion by Mr. Blackburn to go into Committee of the Whole on the Revenue bill being agreed to—133 to 121; the Bonded-Extension bill was the first to come up, and its consideration was decided upon by a vote of Eff to 118, and Mr. Morrison took the floor to support the bill, and, after some delay on points of privilinge and order, he briefy explained the purposs of the bill and arguest that the object of this legislation was to place this industry on an equality with all other articles paying internal revenue taxes.

The Senate on the 20th adopted a resolution.

THE Senate on the 20th adopted a resolution directing the Secretary of the Treasury to furnish cooles of accounts and vouchers in the Star-coute cases. Debate on the Educational bill was resumed, but no action was tional full was resumed, but no action was haben. In the House Mr. Garrison was declared centified to a seat as Representative from the Fifth District of Virginia, and the oath of office was administered to him. The speaker presented an estimate of \$30,900 for the pedesta of the statue of General Garfield to be creeted in Washington by the Army of the Cumberiand. The Bonded Whissy Extension hill was discussed in Committee of the Whole, without action.

Whole, without setion. In the Senate on the 21st Mr. Hoar called up the bill to increase the salaries of the United States District Judges to \$5,000, of the United States District Judges to \$5,000, and Mr. Van Wyck moved to amend by making the sum \$4,000. A bill was introduced to provide for the creation of the State of Tacoma from Washington and Idaho Territories. When the Educational bill came up, Mr. Sherman moved an amendment that the money be distributed in proportion to liliteracy, and without distinction as to race or color. Adjourned to the 24th.... In the House E. H. Funston was sworn in as the successor of the late D. C. Haskell, of the Second District of Kansas. A bill was passed to retire W. W. Averili with the rank and pay of of Colonel.

THE Senate was not in session on the 224. In the House a favorable report was made for the return of the Chinese indemnity fund, and an adverse report to reduce life-time patents to five years. A resolution was adopted calling for information as to the lease of grounds in Yel owstone Park, and what provision was made for the preservation of fish and game. Several members expressed their views on the Bonded Whisky Extension bill.

DOMESTIC.

CHARLES BARRETT, of Ashburnham, Mass., having outlived the mortality table of a life insurance company, was recently sent a check for his policy and the dividend for the year.

MRS. GEORGIANA GRIFFIN, whose elope ment with a colored hod-carrier at Erie, Pa., was prevented recently, met her lover after she had escaped from the officer, and both went to a minister's house and were married. She was discovered on the 20th in the house of a negro and was imprisoned

by her friends. train near Angola, N. Y., on the 21st exploded an oil-car, which took fire, the flames spreading to other cars. Four employes were fatally burned, and twenty

one cars were consumed. MRS. A. H. FOOTE, of Lawrence, Kan. died on the 21st of blood poisoning caused by wearing a green vail which rubbed

against a sore on her face. THERE were ten great crevasses in the Mississippi levees near New Orleans on the 21st, all pouting great volumes of water

into the country.

THERE were 176 business failures in the United States during the week ended on the 21st, and thirty-seven in Canada. This was a decrease of eleven as compared with the previous week.

AT Mt. Carmel, Pa., on the 21st Michael Toney, a youth of sixteen, was arrested in the act of changing a switch with the purpose of wrecking a train.

An announcement was made recently that McFadden, an accomplice of Prentiss Tiller's in the St. Louis express robbery, had attempted to commit suicide in the St. Louis Prison by swallowing fragments of broken glass. On the 20th the report was said to be unfounded, McFadden being desirous of being placed in the hospital, whence escape would be easy.

BACK water was on the 21st flooding the houses in Front street at Vicksburg, and the country between the Mississippi and Atchafalaya Rivers was being inundated through breaks in the levses. THE boiler in Ratman's saw-mill, at

Newport, Ark., burst a few days ago, killing the fireman and three children.

Two snormers named Fitzpatrick were on the 21st executed at Columbia, Ky., for the murder of Miller Brewster. A SULPHUR explosion the other day in

the Enterprise colliery, near Mt. Carmel, Pa., killed three men and badly damaged the wood-work of the mine. By the closing of the Dobson wooler

mills at Schuylkill, Pa., on the 21st twelve hundred employes were thrown out of THE total number of post-offices in the

United States on March 20, 1884, was 48,993, against 47,858 on July 1, 1883, an increase in nine months of 1,135. At the present rate of increase the number of post-office at the end of the present fiscal year would reach 50,000. ADVICES of the 21st from Dodge City,

THE New York Senate Committee on Pub

that balf the butter placed on the marke in that State was mixed with fallow, lard er bone oil. Only ten samples out of thirty proved to be genuine. Four fifths of the milk sold in New York City was previously

watered or skimmed.

The voterinary surgeons investigating the cattle disease at Neosho Falls, Kan., examined on the 22d the bay fed to the

sufferers and found wild rve containing twenty times more ergot than was ever before known in feed. It was claimed that the feet of the cattle froze because the ergot contracted the blood-vessels and retarded the circulation.

THE slaughter-houses in Jersey City and Hoboken, employing about two hundred butchers, have been forced to close on account of the competition of dressed beef from Chicago. The workmen were on the 23d organ zing for a concerted movement against their Western rivals.

J. B. Johnson, who robbed a drug house in St. Joseph, Mo., of a large amount of goods, killed himself with a revolver near Denver on the 224, while on his way to make restitution to the firm.

FORTY masked citizens of Marysville, Kan., on the 22d forced the jaller to deliver to them Samuel Frayer, who had been convicted of the murder of John Pennington and wife. The offender was taken to the wagon bridge and hange I, after he had made a full confession of his crime. Finz was still raging on the 22d in the

Pocahontas coal mine in West Virginia, where one hundred and fifty three men recently lost their I ves by an explosion, Engineers had been sent there to locate fire chambers, when a corps of oil-well dillers would be set at work to penetrate the mountain from the top, in order to

flood the mine through the borings. THE steamer Thetis, purchased at Dundee, Scotland, by the United States Gove ument for the Greely relief expedition,

arrived at New York on the 23d. A SLIGHT fire at the capitol in Washing ington on the 221 created great excitement, but it was extinguished before much dam-

A TRAIN of thirty-one cars of corn, given to the Ohio River sufferers by the people of Sedgwick County, Kan., arrived in Cincinuati on the 22d, and would be sold at

auction. FIRE in the Newcastle coal mine, in Washington Territory, has been raging for eighteen months. The fact that it obtained mastery over the management had been

concealed up to the 22d. ATBaltimore on the 22d fire destroyed the Flamingo guano works and the chem ical works of P. S. Chappell & Sons. The total loss was estimated at \$200,000. In a collision between an emigrant and

passenger train, near Red Wing, Minn., on the 22d fifteen persons were injured (two fatally) and two coaches and a locomotive were wrecked. AFTER a short run on the 22d the State

National Bank at Boulder, Col., suspended.

The concern owed depositors about \$100,-

A cowboy shot an Indian at the Tongue Hiver Agency, Montana, on the 23d, and the red men retalisted by burning a ranch and threatening further trouble.

THE factory of the Electric Candle Company, at the foot of West Fourteenth street, New York, valued at \$330,000, was destroyed by fire on the 22 L

In a banking-house at Augusta, Ga., two men engrossed the attention of a messenger on the 22d and took \$2,700 from his sachel without his knowledge. THE ship Bombay, from Philadelphia to

have foundered. There were nineteen persons on board. THREE men were seriously burned the other day by an explosion in the fire-works

establishment of Diehl & Co., at Cincin

nati, and the roof fell upon them and held them until help arrived. PERSONAL AND POLITICAL

THE Democrats of Virginia will hold their State Convention at Richmond May 14, to nominate State officers.

CHARLES LAUGHEIMER, known as "Dickens' Dutchman," died at Philadelphia recently, aged seventy-five years, fifty of which were passed in a convict's cell.

THE Republicans of Rhods Island met in State Convention at Woonsocket on the 20th and renominated Governor Bourn and the present State officers. THE Michigan Democrats will meet in

State Convention at Detroit June 18, to elect delegates to the National Convention. In the Maryland Legislature on the 20th a bill prohibiting the sale in Baltimore of Western-slaughtered beef was tabled in the House by a vote of 66 to 11.

At the instance of John J. Vertrees, Chairman of the Tennessee State Democratic Committee, an injunction was served on the 21st on the President of the Nashville American Newspaper Company, restraining him from advocating in that paper a protective tariff. Vertrees claimed to have an interest in the majority of the stock of the American.

SEVERAL indictments against Sheriff Davidson, of New York, and several of his subordinates, were returned on the 21st by the New York County Grand Jury, The charge was malfeasance in office and other

irr gularities.
Ir was announced on the 21st from Washington that the sub-committee of the Senate Committee on Post-offices had formulated a bill to establish telegraph offices in all post-offices where the salary of the postmaster is not less than \$500. The charges for messages prepaid by telegram stamps would be: For 1,000 miles or less, 20 cents for each twenty words; for between 1,000 and 2,000 miles, 40 cents; and for over 2,000 miles, 50 cents, while special rates are fixed for newspapers.

PRESIDENT ARTHUR asked Congress the 21st to appropriat + \$30,000 to erect a pedestal for the monument of General Garfield, which will be presented to the city of Washington by the Army of the Cumberland.

OHIO LEGISLATURE.

Senate, March 15 .- Bills word pasd;se Amending section 5,026 of the Revised Statutes so as to give authority to persons having claims against mining companies to bring suit in the counties in which such to bring suit in the counties in which such claims originate; supplemental to section 3,311, se that minors who are abused by their guardians can contract for their own labor and retain their own wages. A bill was introduced by Mr. Cable amending section 6,286 of the Revised Statutes so that guardians can mortgage the property of their wards during the minority of such ward or wards. Adjourned until the 17th.

Honse.—Bills introduced: To re-mact the hawk law; to appoint a joint commit-

House.—Bills introduced: To re-enact the lawk law; to appoint a joint committee on the part of the House and Senate to ascertain what lands and other property owned by the State can be disposed of without detriment to the public works; to amend the school laws; providing that persons who feed domestic animals shall have the same lien as livery stable keepers; regulating the charges of telephone companies; providing that when an executor, administrator, or other person or their representatives pay a judgment, he shall representatives pay a judgment, he shall have all the rights and remedies against the principal debtor as the plaintiff had at the time of payment. Adjourned until the

Senate, March 17 .- No business of public interest was transacted in the Senate to

House.—A number of private bills were introduced and referred, aside from which no business was done up to the hour of adjournment.

Scante, March 18.—The convict contract labor bill was taken up in the Senate this morning, and after the adoption of several amendments, the most important of which was that of Mr. White striking out the prowas that of Mr. White striking out the pro-visions for the price contract system and abolishing the contract system entirely, was passed by a vote of yeas 22, navs 2. The House amendments to the Reed Phar-macy bill were concurred in and the bill is now a law. Bills were passed: Allowing fish-ing with book and line on the reefs and shoals of Lake Erie, and providing for the protecof Lake Erie, and providing for the protec-tion of California salmon and other land-locked fish; providing that the commis-sioners of any county or council of any municipality not having a workhouse can contract for the keeping of prisoners in a workhouse in a city in any other county, and fixing the fees of the sheriff for trans-porting prisoners in such cases; amending section 633a of Revised Statutes so as to provide for three State policemen for each public institution to protect grounds and section 632a of Revised Statutes so as to provide for three State policemen for each public institution to protect grounds and shrubbery, instead of one as now. The general appropriation bill was taken up and an amendment adopted providing for equalizing the salaries of Supreme Judges— the same amendment which was lost in the House. Adjourned. House .- The convict contract labor bill

House.—The convict contract labor bill as amended by the Senate was received from that body, and after a short debate the amendments were concurred in by a vote of 72 yeas to 18 nays. The bill is therefore a law. The bill providing for a State Board of Health was taken up and discussed at length, and after the adoption of an amendment providing that nothing in the bill shall affect Boards of Health as now constituted except the provision that they shall make annual reports, passed. Bills were also passed: To prohibit the keeping of children in infirmaries; amending the Russell license law; amending section 7,015 so as to provide a penalty of from \$200 to \$500 against all parties and compaon the 22d in Berlin as a full holiday, the tion 1,015 so as to provide a penalty of from \$200 to \$500 against all parties and compa-nies for issuing scrip to employes to be used at the company's stores. A joint reso-lution, asking the Ohio Representatives in Congress to secure copies of muster rolls of Ohio regiments in the Rebellion, was adopted. Adjourned.

Senate, March 19.-The forenoon session was occupied in discussing the general ap-propriation bill. Mr. Crowell's bill amend-ing sections 3,920 and 3,034 of the Revised Statutes providing that the election and qualification of members of township boards of education shall be determined by such boards, and providing for the disso-lution of joint sub-districts, was passed. Several local bills were also passed. Ad-House .- Bills were passed: To prevent

House.—Bills were passed: To prevent gambling in petroleum, flour, grain, wool, and other provisions; providing that all of a married woman's property shall be under her sole control, permitting her to sue and be sued exactly the same as an unmarried woman, and exempting a husband from liability for his wife's debts contracted before marriage. The Senate liftl providing for a board of parious, which had passed the Senate, was defeated. A resolution fixing Monday, March 31 as the day of adjournment, was adopted by a vote of 72 to journment, was adopted by a vote of 72 to 2. Adjourned.
